Hifz Quran Syllabus Breakdown (15 line Quran)

Du'a Syllabus Breakdown (Essential Duas for Muslims - Talimi Board KZN)

From KG - Grade 2 - The child learn the Arabic, the overall meaning and Virtue. We do not want to focus on word for word meaning here (For eg - Can recite the Shahada, Can tell you in his own words what it means that Allah is one and Rasulullah is the messenger of Allah & Can tell you in his own words what is the spiritual meaning of the Shahada i.e. To become a Muslim and to witness that you follow Allah and His prophet.)

Grade 3 Onwards - The child knows the Arabic, the word for word meaning and can state the Virtue in their own words. We want to focus on building their vocabulary here.
