UMMATI HIFZ PROGRAM

Ummati School offers two Hifz schedules (3 or 6 years) for those parents who wish to complete the memorization of the entire Qur'aan with their child (after completing the above basic memorization at school). The schedules have been designed based on research into successful Hifz programs and our own observations of how academic school students can progress through the schedules. The resulting program and advice will help parents to implement their own Hifz program with the help of the school, insha-Allah.
